

2012 Yang Water *Dragon* 01-23-2012~02-09-2013

Dragons signify powerful energy, growth & creativity; this is **ESPECIALLY** true in 2012.

FAMILY

Daughters. Siblings of all genders, esp. sisters.
South east is first home to the youngest daughter (named “Tui”) who gives way to (in a sense becomes) the eldest daughter (named “Sun”; this is a Chinese word, not our English word for the fire at the center of our solar system.)
Eldest son as dragon dominates East.

SPACES/COMPASS PTS

SOUTHEAST (& east and northeast, too)

4 & 5

COLORS & SHAPES

5th Moon Every Year; 5th of 12 Zodiac Animals

Year

Every twelve years it is the year of the dragon. There are 5 elements, so there are five dragons, one for each element. Thus, every twelve years there is a different dragon. Here are some Dragon Years:

1772	1832	1892	1952	2012	water dragons
1784	1844	1904	1964	2024	wood dragons
1796	1856	1916	1976	2026	fire dragons
1808	1868	1928	1988	2048	earth dragons
1820	1880	1940	2000	2060	metal dragon

Dragon Years

Every dragon year engages the inherent yang wood of the dragon. The yang wood interacts with a different element every dragon year, which gives the year its name (e.g., 2012 = the year of the yang water dragon). The relationship between these two elements suggests the energy of 2012, which is a dynamic that occurs every 60 years. In the years of the yang water dragon, the yang wood of the dragon occurs in a water year. The relationship between water and wood is 'water produces wood.' Use 2012 to grow creatively. If you were born in 1952, chances are you are a yang water dragon, turning 60 years of age in 2012. Happy Birthday. This is THE important one. If you live in the east (northeast, due east or southeast) you also have cause to celebrate, because the natural home for 'water to become wood' IS the northeast! (water of north meets wood of east).

Consider Your Dragon Years

NOW 2012 1952		Yang Wood	Yang Water	Water Produces Wood	
1904 1964		Yang Wood	Yang Wood	Wood Reinforces Itself = Integrity Grows	
1916 1976		Yang Wood	Yang Fire	Wood Produces Fire	
1988 2048		Yang Wood	Yang Earth	Wood Covers the Earth	
2000 2060		Yang Wood	Yang Metal	Metal Chops Wood

TRIGRAMS

Two trigrams occupy the southeast:
 First *Tui*, the youngest daughter. Heaven is receptive to the youngest daughter.

	<i>Tui</i>			
3rd	--- ---	= top	= heaven =	yin line
2nd	-----	= middle	= human =	yang line
1st	-----	= bottom	= earth =	yang line

Then *Sun*, the eldest daughter, who works the hardest of all. The earth is receptive to the eldest daughter.

	<i>Sun</i>			
3rd	-----	= top	= heaven =	solid line
2nd	-----	= middle	= human =	solid line
1st	--- ---	= bottom	= earth =	broken line

Tui and Sun intersect trigram paths in the SOUTHEAST.

Tui = southeast to west
Sun = southwest to southeast

HEXAGRAMS

Hexagrams (energy fields) are formed when two trigrams come together. There are sixty four hexagrams. Four of them are specifically mapped at the southeast. Consider them semantic items and the order in which you put them a kind of syntax of energetic experience. For example, in numerical order we have #28, #57, #58, #61 = Preponderance of the Great becomes Gentle/Penetrating Wind becomes Joy becomes Inner Truth. Alternatively, their chronological order is #58, #61, #28, #57, which is: Joy becomes Inner Truth becomes Preponderance of the Great becomes Gentle Penetration.

#58	#61	#28	#57
Joyousness Smiling Lake	Inner Truth	Preponderance of the Great	Gentle, Penetrating Wind
--- ---	-----	--- ---	-----
-----	-----	-----	-----
-----	--- ---	-----	--- ---
--- ---	--- ---	-----	-----
-----	-----	-----	-----
-----	-----	--- ---	--- ---
